**HOST A BOOTH
WITH A HANDS-ON
ACTIVITY**

What: Promote Science, Technology, Engineering, Art, & Math. Join us as we reach out to K-12 students and the Lompoc community with fun, engaging, hands on activities & display booths so students and families experience the motivational power of STEAM.

When: Friday, May 13th, 5 to 8 PM, and
Saturday, May 14th, 9 to 12 Noon

Where: Cabrillo High School Campus.

How: Sign-up for a time slot to host a booth with an engaging STEAM activity targeting either elementary, middle school or high school students, or host a display booth that promotes STEAM + your club, school, company or business.
